Notable features:

Numbers 871-873 are early, steep-roofed, dormer, 2-story houses, but insignificant because they stand alone. All the other houses are now gone.

Number 875/877 seems a serviceable structure. View across alley shows rears of houses on Hollins Street. (numbers 867-859 Hollins) and garages. The space to the west is a large parking lot on lots 64-71, plus 12 and 13.

Environmental context:

Lots at 865-869 have been cleared and it is difficult to tell whether or not 875/877 is vacant. The parking lot should be landscaped and made presentable to adjacent residences.
